Correction to: *Scientific Reports* https://doi.org/10.1038/s41598-023-30188-9, published online 20 February 2023

The original version of this Article contained an error in the Results section.

"Phenotype F counties differentiated from those of Phenotype D by having a 33% higher percentage of people who were physically inactive."

 now reads:

"Phenotype F counties differentiated from those of Phenotype D by having more people who were physically inactive."

The original Article has been corrected.
